Message from the Institution

Mrs. Tanushree Mehrotra **Chairperson**

At Sitapur Shiksha Sansthan, Kanwakhera, we are committed to providing a place where good studies and strong values go hand in hand. Our goal is to help students grow through quality teaching and modern facilities. We work hard to prepare our students to become successful professionals and responsible citizens. I invite you to join us and start your journey toward a better and brighter future.

Dr. (Ms.) Suman Mehrotra **Secretary**

Education is advancing rapidly worldwide, and we are committed to keeping pace. At Sitapur Shiksha Sansthan, we strive to provide the guidance needed to develop our nation's human capital. Built on dedication and discipline, we offer modern infrastructure and well-equipped labs to support our students. We believe true education sharpens the mind and builds character. I welcome you to join us in our mission toward excellence and innovation.

Dr. Ajay Kumar **Principal**

As Principal of Sitapur Shiksha Sansthan, Kanwakhera, I lead a community dedicated to excellence in Education, Science, and Commerce. Beyond academics, we cultivate ethics and resilience. I urge students to stay curious and persevere through challenges. Together, let us strive for innovation and contribute meaningfully to our nation's future.

About the College

Sitapur Shiksha Sansthan – Kanwakhera, Resora is a college of Sitapur Shiksha Sansthan Group of Institutions. The college offers 3 courses i.e. B.Ed., B.Sc. (Bio/Maths) and B.Com. The B.Sc. (Mathematics) and B.Sc. (Biology) programs each offer an intake capacity of 120 seats, matching that of the B.Com. Program. The B.Ed. program accommodates up to 100 students, providing ample opportunities for aspiring educators. The college is now declared fit to receipt central assistance in terms of rules framed under Section 12 (B) of the UGC Act. 1956. The Department of Education was established in 2009 and is one of the oldest departments of Sitapur Shiksha Sansthan Group of Institutions.

Vision

To emerge as a center of excellence in higher education by nurturing intellectual curiosity, ethical values, and academic excellence, and empowering students to contribute meaningfully to society with knowledge, integrity, and creativity.

Mission

To fulfill our vision, we are committed to providing a high-quality academic environment that balances modern learning with strong ethical values. Our mission is to deliver excellence in the fields of Education, Science, and Commerce through innovative teaching and well-equipped facilities. We focus on building professional competence and scientific curiosity, ensuring our students are prepared for global challenges. By promoting discipline, inclusivity, and academic rigor, we empower our graduates to lead with integrity and contribute meaningfully to the nation's growth.

Facilities & Laboratories

The campus offers well-maintained classrooms, science laboratories, a botanical garden, a seminar hall, a library separate common rooms, a first-aid room, and reception facilities. These facilities ensure a comfortable and effective learning environment for students.

- **Zoology Laboratory**
- **Physics Laboratory**
- **Botany Laboratory**
- **Psychology Laboratory**
- **Chemistry Laboratory**
- **Education Technology Lab**

Learning Environment & College Amenities

Library

The college library supports academic study and general reading. It houses a wide collection of books, journals, magazines, and newspapers across various subjects.

Central Computer Lab

The fully air-conditioned Central Computer Lab helps students stay updated with the latest developments in information technology and enhances their computer skills. The lab is also equipped with modern facilities, including a language lab with microphone and web camera support.

Canteen

The canteen provides a variety of food items at reasonable prices in a clean, spacious, and hygienic environment. It offers a comfortable space for students to relax and socialize.

Hostel

The hostel is an integral part of the college, providing a safe and disciplined environment. It promotes a balanced lifestyle, supporting both academic and co-curricular development.

Programme Educational Objectives & Admissions

Knowledge & Understanding

Students develop a strong foundation in their respective subjects, gaining conceptual clarity, analytical skills, and a deeper understanding of scientific and educational principles.

Skill Development

Students acquire practical and professional skills through laboratory work, teaching practice, projects, and field activities, preparing them for real-world challenges.

Professional Attitude

Students cultivate ethical values, a sense of responsibility, teamwork, and a commitment to lifelong learning and professional excellence.

B.Sc. (Bachelor of Science)

Candidates must have passed the 10+2 (Intermediate) examination or its equivalent from a recognized board with Science subjects (Physics, Chemistry, and Biology/Mathematics). Admission is granted as per university norms and government regulations.

B.Com. (Bachelor of Commerce)

Candidates must have passed the 10+2 (Intermediate) examination or its equivalent from a recognized board, preferably with Commerce or related subjects. Admission is granted as per university norms and government regulations.

B.Ed. (Bachelor of Education)

Candidates must have completed a Bachelor's or Master's degree with at least 50% marks (45% for SC/ST) from a recognized university. Engineering / Technology graduates require at least 55% marks.

Programme Delivery

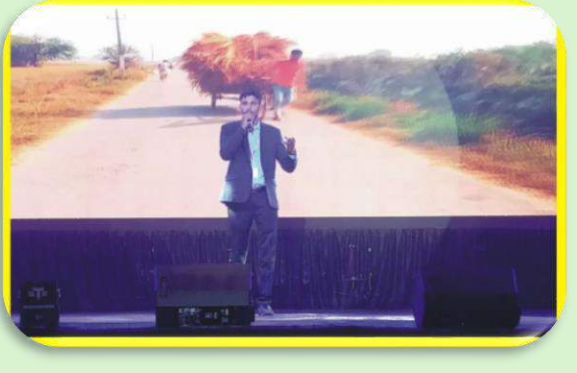

The college promotes student-centered and experiential learning through lectures, practical work, teaching practice, projects, and seminars. Modern teaching methods, including ICT-enabled learning, are used to enhance understanding, critical thinking, and application of knowledge.
